

Trish Nelson,

Mother of four adult children, six grandchildren. Who are the light of my life. When I'm not at work you can find me at the baseball, softball, football, soccer field watching my grandkids or at my childhood farm, moving sprinkler pipe, moving cattle or hauling hay.

I have been an employee of Utah State University for 21 years. In that time, I have been on our local UPCC for 5 years, as well as the secretary, a member of Nacums for 7 years and a member of the regional Armcums for 9. Helping with putting together conferences.

At my time with the University, I have had support with streamlining are operations to be able to meet the University needs with budget cuts and with the loss of employees. With, that being said our Mail Services has now merged with the Print on campus. So, a new challenge is now ahead of me, which I am supper excited for. To learn the print side and what happens before it goes to mail. We are now called Aggie Print and Mail Services.

I have made some great friendships while being a member of these associations. People, that if I have questions I can reach out to for help or advise. So, thrill to be nominated.
